

NEW NETWORKING FOR 2009 (FREE EVENT)

Connect South Essex in association with Business Link Make the Connect South Essex Event part of your New Years resolution to network more and find out how you can increase the profile of your organisation.

With the media predicting doom and gloom and the economic down turn and small businesses, charities and voluntary organisations taking the brunt of the cut backs why not increase your contacts and come along to our **FREE** networking event and register and promote your organisation on the **Connect South Essex** website for free.

Connect South Essex, promotes beneficial links for all parties between the business, charity and voluntary sectors, through the development of local community **Corporate Social Responsibility**.

This is **NOT ALL ABOUT FINANCIAL DONATIONS** but ways value can be added by connecting these organisations.

Thurrock Thames Gateway Development Corporation, Thurrock Council and **Business Link** are working in Partnership on a new **£500** Business Support Voucher scheme. Attend this event to learn more about what this voucher scheme could mean for your business.

The main focus of this event is **NETWORKING** and **SUPPORTING** all types of organisations locally.
